

A vibrant illustration at the top of the page features a multi-colored rainbow on the left, a yellow school building with a red roof and a clock tower in the center, and a grey rocket with red and yellow accents on the right. All these elements are set against a backdrop of white clouds and a light blue sky.

VOLUME 3

The Bend in the Road

Sometimes
we come to life's crossroads
And we view what we think is the end.
But God has a much wider vision
And he knows that it's only a bend-

The road will go on and get smoother
And after we've stopped for a rest,
The path that lies hidden beyond us
Is often the path that is best.

So rest and relax and grow stronger,
Let go and let God share your load
And have faith in a brighter tomorrow-
You've just come to

a bend in the road.

by: Helen Steiner Rice

My Dear Parents, Teachers, Students and Well-Wishers
Greetings from SFS Delhi

With every change we experience in life, we wonder if we can endure and face life's challenges. Every struggle helps us discover the purpose of our lives. We have to remind ourselves that we will be able to face hardships as through darkness comes light, through fear comes courage and through pain comes triumph. This is victory of the human spirit and it lies in each one of us. Let us be focused and reach our full potential which lies in our inner strength. We should accentuate the positive and eliminate the negative.

When problems seem helplessly beyond our control, we must add positivity and carry on with the conviction that whatever happens, is always for the best.
We Fransalians are committed and firmly resolve to surge forward and accomplish new benchmarks as we persevere with self-belief and full faith in God.

Stay Strong, Be Positive.

Fr. B. Anthony Amaladoss

The Headmistress' Message

Dear Parents and Students

“There is no value in life except what you choose to place upon it and no happiness in any place except what you bring it by yourself.” Henry David Thoreau.

For some people, to be happy and to create happiness in and around oneself is a laborious/strenuous task. And, for a few others, it might be harder to see others happy and living in a joyful castle built by him or her for themselves and their dear ones. Happiness, in its truest sense, is an emotional state characterized by spontaneous and strong feelings of joy, satisfaction, contentment, fulfilment and peace of mind. While happiness has many different definitions, it is often described as positive emotions leading one to live a life of perfect satisfaction.

Today, let us excavate from within ourselves the root cause of gloominess and cheerlessness, and plant the seeds of true elation and godly cheerfulness. Let us not become a blocking stone in others' path or build a fence around us to withhold our joy and happiness within ourselves; rather make it our endeavour to be a fountain of eternal bliss and spiritual exhilaration and blessedness. Let us, in God's Most Holy and Pious name, radiate the same to all our beloveds around us.

God has created each one of us in a unique way. It is time to put on the garb of that unique positivity and assist others to do the same.

Let us continue to value everyone who has crossed our path by lifting them up to God for His copious blessings, and surrendering to God all those who would track on our path in the coming days, months and years.

God Bless All!

Sr. Sangeeta Macwan
Headmistress

THE EDITORS' MESSAGE

“Joy is found not in finishing an activity, but in doing it”

We, at PMS, are pleased to put forth our 3rd edition of ‘CANVAS’. This issue is an idea of a colourful world of imagination compiled together through pictures, colour and painting done by our students with the help of their parents. We wish to thank our Headmistress Sr. Sangeeta for her constant support. Thank you, dear parents, for your cooperation and immense support.

Ms. Margaret Budding

Ms. Angeli Tigga

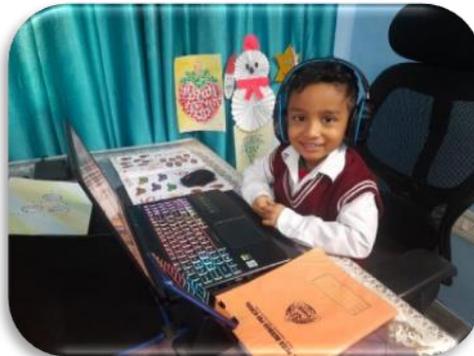

ACTIVITIES

THE NEW NORMAL RULES

We have all made immense sacrifices over the past few months to keep our families and community safe. This collective effort has made a huge difference in the society. By following a few basic hygiene habits, we have proved that we are stronger than the corona virus.

- Minimizing non-essential travelling.
- Wearing masks and maintaining social distancing.
- Washing our hands regularly.
- Covering our face while coughing and sneezing.

These are a few basic points that we need to keep in mind. Remember that we need to fight the virus and not be afraid of it.

FANTASY WONDERLAND

Fairy tales and legends have been important source of fantasy. They take us to a land of magic and wonder. A Fantasy stimulates a child's imagination. It fosters their belief in possibility. This develops positive attitude in children who are hopeful and optimistic. Children truly believe that their thoughts materialize into reality. Most fairy tales and fantasy stories often have morals embedded within them. The society benefits from instilling these values in children at a young age.

Colours are the vibration of life. Nature is full of colours. Colours teach us the different shades of life. Our little artists are expressing their creativity through a splash of colours with their smile and happiness.

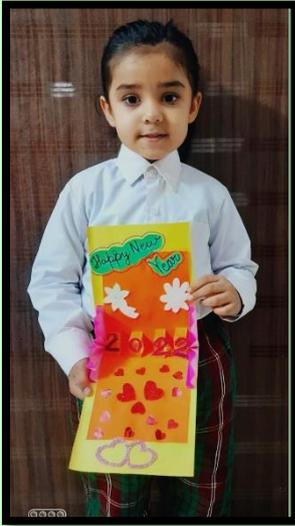

NEW YEAR CARD

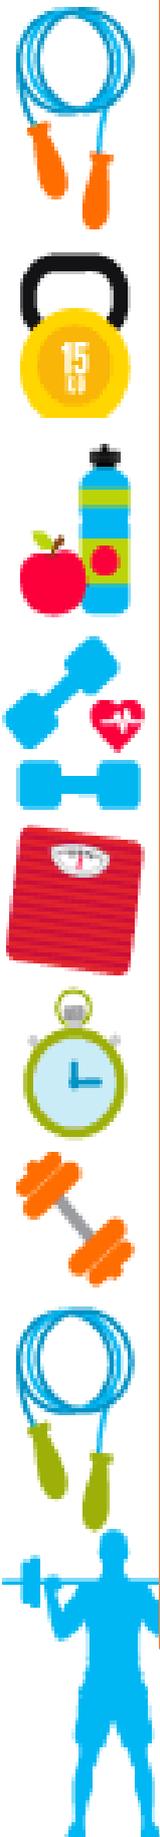

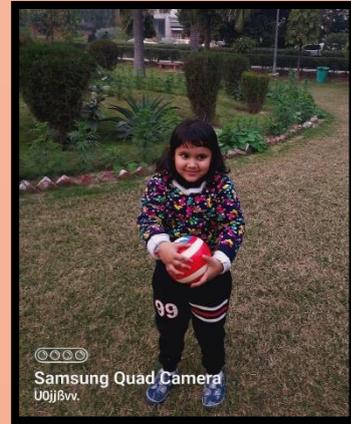

“We will open the book; its pages are blank. We are going to put words on them ourselves. The book is called opportunity and its first chapter is New Year’s Day.”

New year comes with immense joy and happiness. So, on this joyous occasion, the little artists from Nursery Lotus have expressed their creativity by making cards.

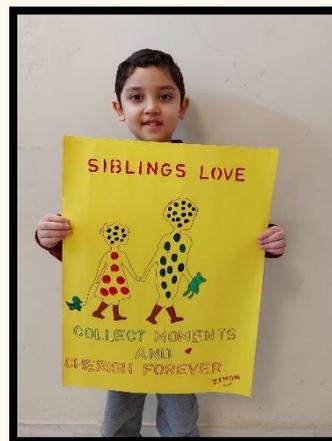

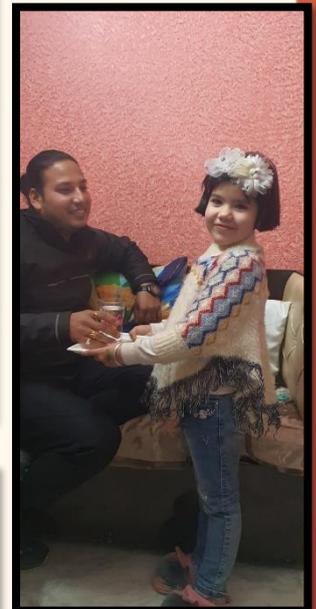

HELPING FAMILY MEMBERS

During this pandemic, all age groups have learnt to deal with the difficulties. Children can learn a lot from doing household chores. Being involved in work at home also gives children the experience of relationship skills like communicating clearly, negotiating, cooperating and working as a team, and they also feel competent, confident and responsible. Sharing household work can also help our families work better and reduce stress.

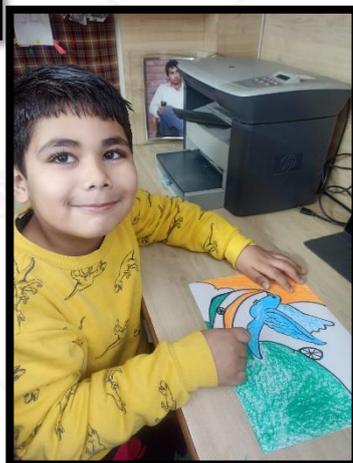

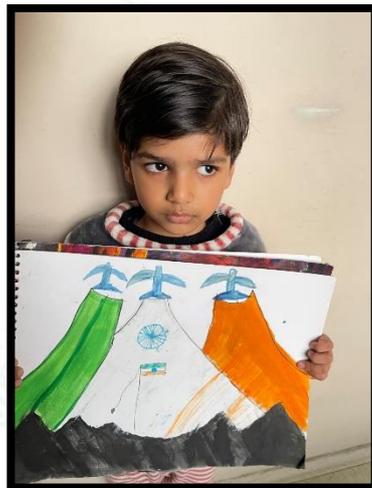

REPUBLIC DAY

India celebrates its Republic Day on 26th January every year. Republic day is a national festival. It commemorates the date on which the Constitution of India came into effect and our country became a republic. Republic day is celebrated with the salute of 21 guns and the unfurling of the Indian National flag by the President of India.

Here are some activities done by our children to celebrate this day.

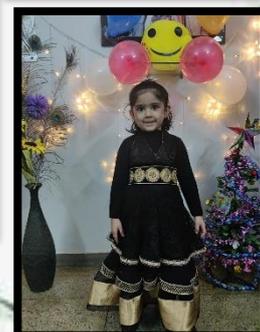

CELEBRATIONS

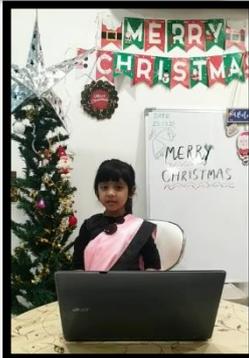

MERRY CHRISTMAS

Christmas is celebrated worldwide on December 25 to commemorate the birth of Jesus Christ. It is a festival of joy, sharing and giving. To spread this message, the little ones of Nursery and Prep Rose had put up a beautiful programme through the virtual platform. The children presented a skit based on the birth of Jesus, along with a number of carols and foot tapping dances. The parents gave full cooperation in preparing the children and making beautiful backdrops. All the children from different sections were dressed in party dresses to witness this colourful extravaganza.

THANK YOU

“A thankful heart opens our eyes to a multitude of blessings that continually surrounds us.”

Thank you!!

Thank you, dear parents, for your generous gift of time and energy as a guide to your wonderful child. We appreciate your sincere efforts.

Our sincere thanks to our Headmistress Sr. Sangeeta, all the teachers of Fr. Peter Mermier Pre-school, and the members of the Editorial board, Ms. Margaret Budding and Ms. Angeli Tigga.
